Hello — and thanks for taking a look at my work!

My name is Rich Kurz and I am an experienced graphics design professional. My philosophy has grown simpler through the years. Good design is not about me, but about us. I want to do good work that serves the needs of my client and that I am proud to put in my portfolio. This pdf shows some of my capabilities.

**Note that all concepts and original drawings are owned by Taft Broadcasting, or possibly by the current owner of Canada's Wonderland. The images in this document are my own and are under copyright to Rich Kurz.**
